

MEMORANDUM

DATE: December 1, 2020
FROM: Judge Robert G. Kleeman
RE: Mandatory Electronic Orders

Effective December 10, 2020 electronic orders will be mandatory in the Law Division.

ELECTRONIC ORDER INSTRUCTIONS

The Law Division is now requiring electronic orders. To prepare electronic orders, attorneys and litigants must first register at eaccess.18thjudicial.org. The process takes about one minute and is free. The website contains a short video that fully explains the process for creating and submitting electronic orders. In addition to allowing for the creation of electronic orders, parties can access orders and pleadings in case history.
